<p>January</p> <p>Snow Fun, Polar Animals, Martin Luther King Jr, Our New President, Winter Weather</p>	

I did not include what month we are working on certain letters, number, shapes and colors because this year we are going to work on everything together. I have found that emphasizing on one specific letter or number for a month seems to take away for the natural process of learning. So we will be including all letters, numbers, shapes and colors on a daily basis.
